DOLOMYTHS RUN 42Km FASSA TRAIL
REGULATIONS 2027

Participation

To take part in the competition, athletes must be at least 18 years old and hold a valid medical certificate for competitive sports (B1, B2, B3, B4, B5, B6 – high-intensity cardiovascular activities) valid on the day of the event, for one of the following disciplines: athletics, skyrunning, mountaineering, ski mountaineering, cross-country skiing, or cycling.

By registering, participants confirm that they have read, understood, and unconditionally accept these regulations, along with any instructions provided by the Organizing Committee.

Competitors are also required to respect the highway code, particularly on sections of the course that cross public roads, which will NOT be closed to traffic (i.e. SS 641 Passo Fedaia – SS 48 Passo Pordoi, - SS 242 Pian Schiavaneis).

Course

The race will start from the center of Canazei (Piaz Marconi) at 7:00 a.m. on Saturday the 10th of July 2027. Following secondary roads and mountain trails, runners will pass through the villages of Alba and Penia, then continue towards Pian Trevisan. From there, along the old military road, the route climbs through "Col di Baranchies" to reach Lago di Fedaia. The course continues along the dam and the old connection road between the provinces of Trento and Belluno to reach Padon. From Padon, it follows the entire Viel dal Pan ridge trail up to Rifugio Belvedere, then descends to Lupo Bianco (Pian Frataces), and climbs again along the old connecting road between Trento and Bolzano provinces to Col Rodella. From there, the descent leads back to the finish line in Piaz Marconi, Canazei, after approximately 42.5 km and 2,240 m of elevation gain. The race takes place in a single stage, at free pace, and within a time limit.

In Details

Dolomyths Fassa Trail (hereinafter "Trail") covers about 42.5 km with 2,240 m of elevation gain, starting and finishing in Piaz Marconi, Canazei (TN), under semi-self-sufficiency conditions, with a time limit of 10 hours.

The course will be marked with flags. Race staff will be positioned at the start, finish, and along the route for assistance if needed. All staff members will wear high-visibility vests (YELLOW). Along the course there will be checkpoints and assistance points. Competitors must follow the marked route; failure to do so may result in penalties or disqualification. The course requires the ability to move on difficult terrain, such as steep or unstable trails (slopes with rocky or debris outcrops), and includes exposed or protected passages with fixed ropes.

There are no specific technical requirements for entry; however, since the route includes high-altitude and ridge sections and the weather conditions can be severe (cold, fog, rain/snow, wind), proper training, solid hiking experience, and genuine self-sufficiency are essential.

Before registering, athletes are strongly encouraged to have already participated in other mountain trail races.

Competitors must strictly follow the marked racecourse and avoid shortcuts. Leaving the route (more than 20 m from the flags) will result in disqualification and occurs at the competitor's own risk, considering the high-mountain environment. A topographic map of the course, including time barriers and GPS track, will be available on the official website; athletes are encouraged to carry it during the race.

Mandatory Equipment

- Race bib (large bib on the front – small bib on the backpack), to be worn visibly at all times and not altered in any way
- Identity document
- Trail backpack containing all mandatory equipment.
- Trail shoes
- Water bottle or hydration system with a minimum capacity of 1 liter
- First aid kit
- Thermal blanket
- Whistle
- Food supplies (bars, gels, etc.)
- Waterproof windproof jacket
- Long running pants
- Gloves and hat
- Collapsible cup (no cups/glasses will be provided at refreshment points)
- Mobile phone (save the organization's number in case of emergency, keep sound ON and caller ID visible)
- GPS tracker provided by the organization (must be carried at all times).

Mandatory equipment will be checked before the start and randomly during the race. Any violation will result in disqualification.

Recommended Equipment

In addition to the mandatory items, the Organization recommends carrying:

- Trekking poles (those who choose to use them must keep them for the entire race).
- Spare clothing in case of bad weather.
- Sunscreen.
- Vaseline or anti-chafing cream.
- €20 cash for potential purchases at mountain huts along the route.

Time Barriers

Time limits ("cut-offs") are set to allow participants to reach the finish line within the maximum time, including brief stops (i.e. rest, refreshment). To continue the competition, runners must leave the checkpoint before the cut-off time.
The start is at 7:00 a.m. The maximum race time to complete the course is 10 hours.
Competitors exceeding the following cut-offs will be excluded:

- Passo Fedaia: 2h 30min from the start
- Rifugio Belvedere: 5h 30min from the start
- Col Rodella: 8h from the start

Athletes who miss the cut-off will be excluded from the competition. If the delay is not due to physical issues, the athlete must return to the valley following the route already covered and following the instructions of the race staff. Athletes unable to continue for health reasons will be assisted by the Organization and escorted to the valley. At any checkpoint along the route, the Organization, at the sole discretion of the medical staff, may exclude competitors deemed physically unfit to continue, even if they have passed the time gate.

Withdrawal

Competitors who withdraw must inform the nearest checkpoint and show their bib. If no medical intervention is required, the athlete must return independently along the marked route and reach the organization's shuttle points located at the refreshment stations, which will only ensure transportation back to Canazei (TN). Voluntary withdrawal, not due to physical inability, and communicated to the staff along the route, ends all assistance from the Organization. Return to the valley after voluntary withdrawal without medical reasons is entirely at the competitor's own risk, with no responsibility assumed by the Organization. At the time of withdrawal, the athlete must sign a waiver at the nearest checkpoint, where their bib and GPS tracker will be collected. The course will be completed by the "sweepers" staff following the last competitors, ensuring that no participants remain on the track after the event.

Emergencies

In case of need or emergencies, in addition to the staff present along the route or at the refreshment points, the following area manager can be contacted:

- Diego Salvador +39 347 7203652

Carrying a mobile phone is mandatory, so that competitors can be contacted at any time.
Prior to the race athletes, will receive a communication via email including emergency instructions, contacts, and a course map with the race director's phone number, outlining what to do in case of difficulty or to assist another participant.

Refreshments and Assistance

There will be six refreshment points along the course, providing liquids (tea, water, cola, electrolytes) and solids (gels, bars, biscuits, sandwiches, dried and fresh fruit). The refreshment points will be located at:

- Pian Trevisan – km 6 (liquids only)
- Passo Fedaia – km 12 (liquids and solids)
- Col de Pausa – km 18 (liquids only)
- Rifugio Belvedere – km 24.5 (liquids and solids)
- Pian Frataces (Lupo Bianco) – km 30 (liquids only)
- Col Rodella – km 35.9 (liquids and solids)

If temperatures are extreme (very hot or cold), additional "water points" may be provided by the Organization. Food and drinks must be consumed within the refreshment area, where NO cups will be provided. Athletes can refill their water bottles or hydration system at these points where water and electrolytes will be provided. Waste bins will be available at each refreshment points and it is mandatory to use them. To avoid overcrowding at the refreshment points, athletes may also receive assistance from their own support staff at any point along the course, provided they comply with environmental protection rules. Each assistant is directly responsible for collecting and transporting waste back to the valley.

Each athlete must carry all necessary equipment to be self-sufficient on the sections between refreshment stations. It is strictly forbidden to be accompanied or assisted, in part or for the entire duration of the race, by persons not officially registered to the race. At the end of the race, shower facilities, massage services, aperitivo and Pasta Party will be available in the dedicated tent set up at the Canazei park.

Modifications or Interruption

At its sole discretion, the Organizing Committee reserves the right to modify the route, delay the start, or temporarily or permanently suspend the race, for all or part of the participants, should conditions arise that could seriously endanger the safety of athletes or anyone present along the course (e.g., rescue operations, rockfalls, or other hazards).
In the event of severe weather conditions, the organization may decide to suspend the race while in progress. In such cases, the final ranking will be determined according to the latest checkpoint reached by each athlete.

Environmental Policy

The Organizing Committee requests that all participants show the highest respect for the natural environment. Littering of any kind (cups, paper, wrappers, etc.) is strictly prohibited. Dedicated bins will be available at the refreshment stations. Runners found littering will receive a two-minute penalty.
The organization is not responsible for the loss or theft of personal belongings or equipment left unattended before, during, or after the race, at the race office, or in the start/finish areas.

Image Rights

By registering, each athlete expressly authorizes the Organizing Committee to freely use any images — still or moving — depicting them during participation in the event.
The organization may share these images with its institutional and commercial partners for promotional and communication purposes. This authorization is granted without time limits or territorial restrictions and includes the use of the athlete's image in promotional and/or advertising publications and videos on any type of media.

Awards and Briefing

The race presentation and technical briefing will take place on Friday the 09th of July 2027 at 6:30 p.m. in Piaz Marconi, Canazei. In case of bad weather, the meeting will be held in the council hall of the Canazei Town Hall. Further updates on course conditions will be provided in the moments leading up to the start.
The top ten overall male and top ten overall female finishers will be awarded. The prize-giving ceremony will take place on Saturday the 10th of July 2027, starting at 6:30 p.m. in Piaz Marconi, Canazei. Competitors who will not be present at the awards ceremony will forfeit their prizes. No age-category prizes will be assigned. For further information or special requests, please contact the Organization at the race office.

Registration Fees

The registration fee is €60 until the 30th of June 2027, and €65 after the 1st of July 2027. Registration may also be made on race day at the race office located by the start area.
The registration fee includes all services described in these regulations: assistance and refreshment stations, race pack, shower and massage facilities, aperitivo, after-race Pasta Party, and shuttle transport from Passo Fedaia, Passo Pordoi, Lupo Bianco, or Col Rodella to Canazei in case of withdrawal.

Registrations must be made online via credit card payment through the official website www.dolomythsrun.it.
Registrations will close on the 5th of July 2027. After this date, it will be possible to register at the race office located in the council hall of the Canazei Town Hall, in Piaz Marconi.

The Organization also reserves the right to increase the maximum number of participants or to assign wild cards beyond the established limit, at its sole discretion.
Bib collection will take place exclusively at the Canazei Town Hall on Friday the 09th of July 2027 from 3:00 p.m. to 7:00 p.m. and on Saturday the 10th of July 2027 from 05:30 to 06:30 a.m.

Entry Fee Refund Policy

In the event of withdrawal after registration, or for any other reason:

- No refunds will be issued under any circumstances.
- Bib transfers between participants are not permitted.
- Deferral of registration to a future edition is not allowed.

In the event of cancellation due to force majeure or directives from authorities, the Organization may, at its sole discretion, provide a partial refund. If the maximum number of participants is reached well in advance of the registration closing date, the Organization may, at its sole discretion, establish a waiting list to accommodate new registrations subsequently to withdrawals.
